Dear Parents and Community Members:

I am pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-2015 educational progress for Hoover Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact me, Julie Linn, Principal of Hoover Elementary School, for assistance.

The AER is available for you to review electronically by visiting the following web site <http://hoover.livoniapublicschools.org> or you may obtain a copy by contacting the Hoover Elementary School office.

The AER has two major sections to it that are required by state law. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, school improvement efforts, two years of results on district developed assessments and nationally norm referenced assessments. It also includes the district's parent involvement policy and specialized programs.

The second section of the report contains information provided by the Michigan Department of Education. Based on this data, our challenges are in the areas of science and math. Our school has identified underperforming subgroups of students, including: students with disabilities and economically disadvantaged students for whom additional intervention and support is needed in order to increase their proficiency and to close the achievement gap in the targeted areas.

In place is a multi-tiered system of support, including the use of the research-based interventions, such as a reading program entitled Leveled Literacy Intervention. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners takes place regularly. Ongoing analysis of formative assessment to determine the needs of all students, followed by the provision of targeted learning intervention to students in need. We will purchase i-Ready Math instruction licenses for our fourth grade students who are performing two or more years below grade level.

These initiatives are intended to accelerate the student achievement of subgroups, including the state's Bottom 30%, that are not meeting our school's proficiency targets.

Our collaborative efforts positively impact our school's success and student achievement.

Sincerely,

Julie Linn  
Principal

## **SHARED VISION**

### Climate and Environment

We **envision** Hoover Elementary **as a school where. . .**

- ...the care, safety and well being of the members of our school community is of the utmost concern
- ...children are eager to attend, excited to learn and motivated to reach their greatest potential
- ...we value and respect the children entrusted in our care.

### Engaged Learners

We **envision** Hoover Elementary **as a school where. . .**

- ...joy in learning abounds
- ...children are encouraged to give their personal best each day
- ...we work diligently to meet the unique learning and social emotional needs of our students
- ...high expectations for academic achievement and behavioral standards are evident

### Organizational Capability

We **envision** Hoover Elementary **as a school where. . .**

- ...we value effective communication, positive relationships and collaborative efforts between parents, staff and students
- ...staff members are committed to individual and collective professional growth

### Outcomes for Students

We **envision** Hoover elementary **as a school where. . .**

- ...the building blocks which are developed here serve as the foundation on which all future learning will be built
- ...amazing students, exceptional staff and dedicated parents work together to cultivate confidence and a belief in one's self

*We invite everyone in our school community to take an active role in bringing this vision to life.*

## MISSION STATEMENT

Each day,  
Our mission at  
Hoover Elementary School  
will provide a  
joyful & engaging  
environment,  
which  
inspires a  
love of  
learning.

## SCHOOL PROFILE

Hoover Elementary School serves 443 students in grades K-4. The principal of Hoover Elementary is Julie Linn, and there were 20 professional teaching staff members and a media specialist.

In addition, there were the following professional support staff: school psychologist, school social worker, Elementary Support Teacher (E.S.T.), speech and language therapist, resource classroom teacher, teacher consultant outreach, occupational and physical therapist, and homebound or hospitalized services.

Assisting all of us in keeping the building operating in an organized manner, keeping the building clean, serving nutritious food, and helping teachers and students are: custodians, secretaries, paraprofessionals, and lunchroom personnel.

***State law requires that we report the following additional information.***

## ASSIGNING PUPILS TO THE SCHOOL

All students were assigned to Hoover Elementary based upon attendance within the geographic boundaries of the school as well as students who transfer in based upon seats available.

## SCHOOL IMPROVEMENT

School improvement is a process in which stakeholders in a school work cooperatively to improve student achievement. The process relies on staff, parents, and students participating in collaborative decision making in formulating and implementing achievement goals. The goals are determined through analysis of student achievement data and survey information. Action plans using proven interventions are developed for each improvement goal and progress toward achievement of the goals is documented annually.

Our school improvement goal for 2014-2015 and 2013-2014 was:

All students at Hoover Elementary will be proficient in math, reading, writing and science.

We are very encouraged by the student achievement results from the school-wide literacy initiative and our school writing assessments.

The Livonia Public Schools School District has had its District Level accreditation through AdvanceEd. Through the district accreditation process, Hoover Elementary School also received AdvancED accreditation. The AdvancED accreditation process supports and validates district and school level improvement efforts.

## **SPECIALIZED SCHOOLS OR PROGRAMS**

At the elementary level, students may be enrolled in Alternative Classrooms for the Academically Talented (ACAT) at Webster Elementary School and special education centers at Buchanan, Cass, Coolidge, Riley, Cooper and Johnson. Preschool special education programs were located at Perrinville Early Childhood Center. Other special education programs are available in western Wayne County for our students with disabilities, based upon their individual needs. Niji-Iro Japanese Immersion Elementary School was open this year at the former Taylor Elementary School. A preschool is operated at the Jackson Center. Specific information about these programs is available on the district Web site at [www.livoniapublicschools.org](http://www.livoniapublicschools.org).

## **CORE CURRICULUM**

The core curriculum at Hoover Elementary provides learning experiences in reading, writing, speaking, listening, spelling, handwriting, mathematics, social studies, science, technology, health, physical education, art, vocal music, and enrichment activities. The core curriculum is based on the grade level content expectations (GLCEs) from the Michigan Department of Education and the Common Core State Standards for Mathematics and English Language Arts.

The goal of education is to provide all learners with a solid foundation of skills, knowledge, and understandings that are necessary for their continual growth and success as students within the school setting and as adults in society. As a result of sound K-12 education based on well defined educational outcomes, a Livonia Public School graduate will:

- Respect self, others, and the environment.
- Communicate effectively.
- Know how to learn and work productively.
- Acquire and process information.
- Use critical and creative thinking to make decisions and solve problems.
- Work and participate independently and cooperatively.
- Acquire a core of understanding and competencies within the content areas.

A copy of the core curriculum may be obtained from the district's Academic Services Department.

## STUDENT ACHIEVEMENT ON DISTRICT DEVELOPED AND NATIONAL ASSESSMENTS

### DISTRICT LITERACY ASSESSMENTS

Students in kindergarten are assessed on a one-on-one basis regularly during the school year to measure progress toward grade-level literacy skills. The following table, Early Literacy Benchmark Assessment - Kindergarten, shows the results of this testing by school and district.

<b>EARLY LITERACY BENCHMARK ASSESSMENT - KINDERGARTEN</b>			
<b>2014-2015</b>	<b>Letter Identification</b>	<b>Letter Sounds</b>	<b>Rhyme</b>

Hoover	100%	100%	98.9%
District	96.6%	98.3%	95.6%

Students in grades 1-4 are assessed using the Fountas and Pinnell Benchmark Assessment System. Teachers administer running records with comprehension to students one-on-one.

Kindergarten teachers administer reading records with comprehension at the end of the school year. Students in grades 1-2 are assessed a minimum of four times each year. Students in grades 3-4 are assessed a minimum of two times each year. The following table shows the percent of students at each grade level that performed at or above grade level on this assessment.

## DISTRICT MATHEMATICS ASSESSMENTS - ELEMENTARY

Students were assessed in mathematics knowledge twice during the 2014-15 school year. Kindergarten students were assessed with a Pre/Post assessment created by the district and students in grades 1-5 were assessed using a Pre/Post online assessment. In September and March, students in Kindergarten were tested in September and March on Common Core State Standards for Mathematics (CCSS) strands taught within the *Everyday Mathematics* program. Students in grades 1-5 were tested on Common Core State Standards for Mathematics (CCSS) and reported using Grade Level Content Expectations (GLCEs) strands taught within the *Everyday Mathematics* program.

The following data show the percentage of students who were proficient at each grade level on the Pre/Post mathematics benchmark assessment.

### PARENT TEACHER CONFERENCES

One of the most important factors of a child's success in school is the involvement of parents or guardians in the educational process. Hoover Elementary has a high degree of parental involvement as 98% of our parents (representing 434 students) attending parent-teacher conferences in 2014-2015 and 89% of our parents (representing 457 students) attended parent-teacher conferences in 2013-2014.

During 2014-2015, 91% of students' families (representing 404 students) were represented at Open House.

## **PARENT INVOLVEMENT**

The district's Parent Involvement Plan is available on the district's website, which is linked to each school's website.

# **BOARD POLICY**

**IDD(1)**

## **PARENT INVOLVEMENT**

**JUNE 20, 2011**

The Board strongly encourages and welcomes the involvement of parent(s)/guardian(s) in all of the District's educational programs. It is recognized and appreciated that parents/guardians are the "first teachers" of their children, and that their interest and involvement in the education of their children should not diminish once their child enters the schools of the District. Accordingly, the Board directs, by the adoption of this policy, that the administration shall design a program/plan that will encourage parent(s)/guardian(s) participation that may include, but not be limited to: The development and review of instructional materials; input on the ways that the District may better provide parent(s)/guardian(s) with information concerning current laws, regulations, and instructional programs; and District offerings of training programs to instruct parent(s)/guardian(s) how to become more involved in their child's educational programs.

Pursuant to state law, the Superintendent shall provide a copy of the District's Parental Involvement plan to all parents.

## DATA FROM MICHIGAN DEPARTMENT OF EDUCATION

The explanation below is provided by Livonia Public Schools to assist you in understanding the data on the following pages provided by the Michigan Department of Education (MDE).

**Student Assessment Data** – State assessment results at the elementary, middle and high school levels for all four tested subjects (mathematics, ELA, science and social studies) for all students as well as subgroups of students on the:

- M-STEP and MI-Access for 2014-15 and
- MEAP, MME, MEAP-Access and MI-Access for 2013-14.

### **Accountability Details –**

- Subject Data provides the percent of students tested and the percent proficient for each subject area tested (mathematics, ELA, science and social studies) at the state and district levels for all students and applicable student subgroups.
- Graduation Data provides high school graduation rates at the state and district levels for all students and applicable subgroups.
- Attendance Data provides average daily attendance rate at the state and district levels.
- Accountability Status District and School Data – The MDE did not provide any data for these categories.
- Teacher Quality identifies teacher qualifications, reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes, and lists the percentage of teachers with emerging certifications in the district.

### **NAEP Data (National Assessment of Education Progress)**

- Provides state results of the national assessment in mathematics and reading in grades 4, 8 and 12.
